Shooting: Please register promptly on arrival on Friday evening or Saturday morning as appropriate. Camping permits will be issued at registration. On registration we will be asking for you to leave contact details for your club for the next academic year.

As GNAS dress regulations DO NOT apply we would like to encourage all teams to wear university team kit if possible.

Spare Arrows: Could all competitors please bring as many spare arrows as possible – this will allow the shoot to proceed without having to stop to find lost arrows every end.

Metal Detectors: In order to speed up any searches for lost arrows, we would like to ask clubs owning metal detectors to bring them along. Please remember to clearly mark the name of your club on the detector.

Food: Lilleshall has a cafeteria, but it is unlikely this will still be open once shooting has finished. You are advised to bring food with you for lunch and snacks during the day. There is a Safeway in Newport (2 miles) and an ASDA in Telford (5 miles) if you want to buy food locally. Also in Newport are numerous places to eat on Saturday evening.

Entry Fees: Please note that the following institutions have not paid the required entry fees. These cheques MUST be received into the BUSA office by Tuesday 14th June.
